Democratic Candidate for  
Hamilton County Treasurer

After growing up in the small Southwest Iowa town of Logan, I set off to Omaha, Nebraska, to attend a two-year business college. Shortly after college, I landed my first “real job” at Mutual of Omaha in the Life Claims Department. In 1976 I moved to Webster City and worked for the next ten years at Electrolux in the Marketing and Purchasing Departments.

I have two children. My oldest, Gabe Burkhart and his wife, Christy, live in Urbandale. Gabe is a Probation Officer for the State. My youngest, Garrett Burkhart and his girlfriend, Lindsey Wille, live on an acreage North of Stratford. Garrett is a Manufacturing Engineer for Thermomass in Boone. The pride and joy of my life are my three grandchildren. Mason is seven and Hailey and Tach are both three.

In 1987 I began working at the Hamilton County Engineer’s Office. I’ve held the position of **Office Manager** for over 31 years. I monitor a budget of over \$6,000,000 with several different funding sources. Providing friendly support daily to the residents of Hamilton County, the Secondary Road crew, and the departments within the county, **I am experienced in County Accounting and Budgeting and ready for a new challenge!!** I would appreciate your vote for Hamilton County Treasurer on November 6!
